COSTUME BANK

You may wish to take advantage of using the Costume Bank on a Term-by-Term basis. Putting aside a little extra with your term fees towards your child's performance outfits, whether hired or made is a wise option; e.g., you can nominate whatever amount you wish with your Term fees payment envelope. Every effort will be made to keep any costumes costs reasonable; however, it's definitely a relief to find there may be enough in the bank to cover payments when required. If there is more in the Costume Bank than the final end of year total amount, you have the choice to have the balance paid to you or towards other associated fees/costs.
